POLICE AT A STANDSTILL

At the office of Tracy and Company

New York, May 17.—In the appointment of a receiver for Tracy and Company, members of the New York stock exchange and the Chicage board of trade today. Wall Street had a million dollar failure with an interesting variation from the ordinary.

with Chicage connections the embarrasement of the firm caused little surpasse. The situation is regarded by friends of Mr. Tracy, as a result, at least in part, of proposed taxicab legislation from the ordinary. dollar failure with an interesting va-riation from the ordinary.

Assets Half a Million. Taxicabs, and not stock manipulation or market conditions, are said to be indirectly responsible for the firm's troubles. While no announcement as to the exact cause has been made, E. A. Benedict, the receiver, said tonight that he understood that money lost in backing a local taxicab concern figured in the outside ventures. The firm has no stock exchange obligations. The ne stock exchange obligations. The total liabilities are estimated at \$1,000, 600; the assets at half that amount. Both these sums, however, are only approximated and may be increased.

Three Petitioning Creditors. with the filing of an involuntary petition in bankruptcy in the United States district court this afternoon but as it was rather late in the day of affecial notice was received the firm was not suspended from the stock exchange this afternoon and it was also too late for News of the firm's failure came out but as it was rather late in the day no afficial notice was received at the stock exchange. Mr. Benedlet was quickly named as receiver and gave bond for \$50,000. There were but the receiver to take active charge of affairs. He will do so tomorrow. Besides the main New York office to the receiver to take active charge of affairs. He will do so tomorrow. lond for \$50,000. There were but three petitioning creditors and their claims as stated were quite inconsiderable—Henry F. Woodward and William G. Henry F. Woodward and William G. Justin, both of New York, 33,500, and \$100 respectively; William A. Scott, 2 resident of Long Island, \$307.

One of Firm on Faarsley.

Tracy and Company is not an old firm, having been organized in 1905 and consisting of William W. Tracy, R. D. Covington, and Frederick W. Parker. Mr. Parker was the board member. Messrs Tracy and Coving-ton were in conference with the receiver during the afternoon but they declined to make any statement. Mr. Parker has been abroad for several according to a statement t the office, cruising in the ade at the office, cruising in the feditterranean.

INTERNATIONAL QUESTION OF MORE DAYLIGHT

to October 1. g by Washington, May 17.—President Tart promised today to take up with his cabinet tomorrow the international question of more daylight.

A delegation from Cincinnati representing the National Daylight association called upon the president and requested him to take the initiative in a reform movement directed against the clock. The idea is to begin the day two hours earlier during the summer of the control of t The editorials were read.

The speaker declared that as the editorials did not attack Mr. Hollingsworth in his representative capacity he could not continue. The result of Mr. Hollingsworth's attempt was to get into the congressional record a number of uncomplimentary remarks bout himself with nothing to offset lem. As the editorials were read in 174 the house was convulsed in the president that little progressioned to made in the present the president that little progressioned to the president that little progressioned to the made in the local statement to be made in the local statement to be made in the little progressioned to the president that little progressioned to the made in the local statement to be made in the little progression that little progressioned to the made in the little progression.
